

Sarita "Cheeks" Scott

One of the founders of the Atl. Diva's, role of PRO and now the Georgia council. Believe if you can dream it, you can do it; if you can see it, you can reach it; just believe!!

You have to take the first step even if you can't see the stairway. That's faith.

"Social Corner"

To create a unique sisterhood that will foster a sense of community and family.

To celebrate our differences and to discover our similarities, to help heal, uplift, support and to encourage each other through community awareness and friendship.

"Social Clubs"

- To support the MC Family in the area's that need them the most. To show the love and understanding of a family and for us all to pull together as one.

"Social Club History"

- Social Clubs have a history that goes back as far as the 1800's
- The first black social club was in the 1880's and that was a group of ladies with similar interest.

"Social Clubs"

- Social - marked by friendly companionship with others.
- Club - unite with a common purpose.

Now we still have both regular social clubs and clubs that are geared around the motorcycle community. We appreciate them and ask that certain guidelines be met and continue to be followed.

"Social Clubs"

- ⦿ Most M/C's govern social clubs in most states. Georgia is now one of those states.
- ⦿ Most M/C based S/C's are women. Rules vary by state and regions and formally came into existence in the 60's and the S/C's primary purpose was to support the M/C they are affiliated with.

"Social Clubs"

- ⦿ The Council ask that the S/C's continue their activities, but not on the days or nights of M/C events so that the various clubs can keep their own identity of who they are and still help to respond to the needs of the community.

"Social Club"

There was a 4th Annual National S/C Roundup that took place in Los Angeles. If any clubs are interested in participating in something like this, please feel free to see what can be done. We are sure that each club will represent.

Social Club Committee "Rules & Guidelines"

The following rules set forth on April 23, 2011 apply to all social clubs in the State of Georgia that have been in existence under 10 years and are subject to change. All S/C's in existence 10 or more years are exempt and do not fall under these guidelines.

"Social Club Connection"

- ⦿ There is still a freeze on new S/C's in Georgia until further notice.
- ⦿ There are hand-out's for all that wish to have the complete guidelines and rules on governing of the Social Clubs in Georgia.
